The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public. I would draw your attention to the memorandum, released March 15, 2022 that requires both agencies adhere to proactive disclosures for "records that have been requested three times or more, or that have become or are likely to become the subject of subsequent requests" as well as to uphold "timely disclosure of records" (https://www.justice.gov/media/1212566/di?inline). The requested information is in the public interest because trust in government is at historic lows, and the American people deserve transparency about the operations of the Agency. Agencies, including yours, routinely hide FOIA logs, appeal logs, MDR logs, and critical documents detailing the agency's operations behind the constructs of retention periods even—when requested frequently by multiple parties, and in accordance with the previously cited implementation guidance, should be proactively disclosed.

2024-TSFO-00067	10/19/2023	(b) (6)		You may be in the best position to affect change for airline travelers as it relates to the events of my travel on September 10, 2023, from Seattle to Denver. A gift was stolen from my checked bag and a disgusting item was placed in my bag. Here is what happened: I was flying Frontier Airlines, Flight 656 from Seattle to Denver. After arriving at the airport around 1:00 pm, I checked one bag. The flight was delayed and eventually departed Seattle around 3:30 pm. The flight arrived in Denver shortly after 7:00 pm and I arrived at my destination for the evening just after 8:30 pm. While in Seattle, I purchased a gift for my brother and immediately went to open my checked bag. It was apparent, even before opening, the bag had been opened and re-closed. An airline bag tag with elastic ties was zipped into the bag. This made the bag difficult to open. As I got the bag unzipped and separated the two sides, a used tampon applicator in its torn plastic packaging, fell out of my luggage (this did not belong to me.) The contents of the bag were scrambled, nothing was folded or in the place it had been when I packed. Further, the gift I'd purchased for my brother was not in the bag. There was no indication TSA opened the bag; there was no document of notification from TSA. While in Seattle, I stood in line at the Woodinville Whiskey Brewery to purchase a numbered bottle of the new release. I also had the bottle signed. I placed this bottle in a paper bag, then wrapped it in a plastic bag before packing it in my luggage. It had been stolen. As is required by Frontier Airlines, I contacted Frontier customer service. They would not call as requested and were only willing to chat through text. Frontier maintains they are not responsible and provided verbiage from their legal documentation which appeared to show they have a legal loophole. After approximately two hours of texting, the solution they offered was a \$150 voucher for a future flight. I planned to decline; however, they ended the chat early. If they are unwilling or unable to address theft, they will not be able to ensure there will be no theft on a future flight. Further, the lack of understanding or compassion was apparent. Police reports have been filed with both Seattle and Denver Police departments. Since the monetary value of the theft is low, it's not likely it will receive much attention. I was informed there are no cameras located in the area where airline employees handle baggage. Since 9/11, carrying a bottle of wine or whiskey on the plane is prohibited. What steps are in place to ensure items that cannot be brought onboard a plane in the cabin are not stolen from checked luggage? Which agency/agencies are responsible to ensure theft does not occur? I paid to check the bag; what am I paying for if the contents of my bag are not secure? It is within your power to address matters such as this. The traveling public deserves better; I deserve better. What is being done to minimize theft from airline baggage and provide a secure environment for the public? Should you wish to contact me, I'm available at the above address or through email at (b) (6). I hope to hear from you.

2024-TSFO-00053	10/16/2023	(b) (6)		Hello I recently had a flight with frontier airlines 10.08.2023 from MCI to Denver. I was involuntarily bumped off the flight without explanation and written statement of my rights. I was checked in on time and ready to board with all of the other passengers I went through security at approximately 7:09pm and am wondering if you have any footage of documentation of my going through security or me waiting at the gate. I was not allowed to board and I wasn't give any information why I was bumped over all of the other passengers. Frontiers staff at the gate assured me they would notate the account and now that I am working with their customers service they are claiming that I was a no show. I am curious id TSA would have any records or documents they can provide me. I am filing a complaint with DOT, but wanting to get as much info/documentation that I can. Thankyou for your time.

				Hi - I flew out of the Atlanta airport on Monday, September 25th, 2023. I went through the Northern checkpoint / Priority / First Class TSA checkpoint at about 3PM. I gave the TSA officer a film roll to be hand checked, as film cannot go through x rays. She took it from me and then it disappeared. I went through security and it was never given back to me. I called immediately the next day and its been 2+ weeks of back and forth only to find out, supposedly, that it was just put in a bin. I believe the office threw it to the trash, which seems very NOT SMART to throw away a PRICELESS film roll that is not even replaceable because of the nature of the pictures. I've been speaking to Dawn at TSA in Atlanta and she's been investigating this, but again, last word is that the officers involved, just put the film roll on a bin... at some point... Very vague information. She located me on the security footage and was able to identify the woman officer who took it. Again, it was at about 3PM, it was a very smooth checkpoint, except for my process film roll being trashed.. I was wearing a pink hat and an off pink t shirt. You can see at around 3P that I went through security and took out the film roll right before it went into the X-ray machine and handed it to officer. I went through, one of my bags had to get checked and that's it. so I was standing there for a while while by bag cleared and the film roll was never given back to me. Again, it is priceless as pictures CANNOT be recreated, so I will be seeking a reimbursement due to the negligence of TSA.

Time you arrived at the TSA checkpoint - Time arrived at TSA checkpoint between 2:45 PM - 3:30 PM on 09/2/2023. 2. Checkpoint where the incident took place - Unsure of checkpoint. We were in Terminal E, going to Gate E11. Alaska Flight 585. 3. Please provide the name or detailed description of the TSA officer that conducted the pat down - Unsure of the TSA Officer's name. TSA Officer was tall, black hair, black facial hair above the lip and chin, Hispanic descendant maybe. 4. Please provide the exact location on the checkpoint where the pat down was conducted. - After you pass the full body scanning machine on top of the foot mat, the pat down took place next to the screen where everyone passes through. People passing through the full body scanning machine looked at my son shocked, I was dismayed, my son was embarrassed, his Caucasian teenage friend whom was with us laughed cause he was also buzzed but they let him go through without a pat down. I even said out loud, "Did you just get molested?" and the TSA officer looked directly at me. 5. Did you report your complaint to a TSA supervisor? If so, please provide their name or detailed description - No, it took us a few days to process the events. We first tried to justify this being a normal necessary event that occurs at an airport but it wasn't. This was an inappropriate act towards a minor. 6. Please provide your son's detailed description (height, weight, hair color and style) and what he was wearing on the day of the pat down. This information is needed so that we can reviewed CCTV footage of the pat down. - My son is African American, 5'11 to 6' in height, black twisted hair, black facial hair above the lip and chin, wearing gray bottoms and a black top for clothing. 7. Additional information - My son and I were not flying that day. We walked back through security with his friend, an unaccompanied minor, to support his friend flying for the first time. We were at the Alaska counter around 2:30 PM on 9/2/23 getting our passes to get through security. My son and I did not have any belongings or luggage. My son only had his phone and I had keys, wallet, and phone. My son's friend, a Caucasian kid, also was buzzed at the full-body scanning and the TSA officer just asked to see his wrists and hands. My son's friend had a black backpack. My son, an African American kid, was buzzed at the full-body scanning and the TSA Officer asked him to step to the side and molested him in front of others, he was grouped and penis cupped and the TSA agent put a finger up his butt.

2024-TSFO-00022	10/6/2023	(b) (6)		October 5, 2023 (b) (6) # (b) (6) - see attached WE ARE SEEKING A COPY OF WHAT YOUR AGENTS DESCRIBE AS A "PERMANENT FEDERAL ORDER", RESULTING IN MY BEING WRONGFULLY DETAINED WHENEVER I REENTER THE U.S. It was recently and finally revealed that there was a wrongful Federal Order involving me enacted in Los Angeles in 2003. (Without my knowledge or participation, and without my ever having been served, as I was still then residing in another state.) This is only part of the persecution I have endured for 20 years. I was told about the order by Homeland Security. They have for years detained me whenever I reenter the US. They never said why until recently, and only after my numerous Redress Letters to Homeland Security, and only after I have been detained by the same Agents and Supervisors multiple times by now, and they have begun to be more forthcoming. The agent I initially dealt with in late August of this year, said he has never seen this type of Permanent Federal Order. We have this far been unable to locate the case/ filings/ order, having conducted searches, then having been on the phone with Pacer, Appeal Court staff, Federal Court Public Defenders, etc., all having attempted various searches. We can not locate the order, yet Homeland Security claims they refer to one while detaining me now for 20 years. Very strange. It involves Demi Moore, as I was her Estate(s) Manager in Idaho and when I left and told her off I was attacked in every conceivable manner, and those attacks have continued, everywhere I've moved, throughout everything I've done ever since. This act against me was/is malicious and criminal. We would like to locate this "Order" and to be able to consider our options for having the matter properly addressed. I have been detained EVERY TIME I REENTER THE US FOR THE PAST 18 YEARS. The most recent: Los Angeles - August 2023. Prior to this year, I was detained on average twice per year for the previous five years. We will be happy to pay a small fee for documents and processing. Please be aware, however, that the persecution I have endured related to this matter and numerous other crimes committed against me by the same criminals, has resulted in my becoming destitute, several times over the time period of the rights violations for which we are seeking this information. Please provide the copy of the requested order here if possible; by mail if not. Please contact us at once if you require any additional information or action on our part, in order to receive the requested information. Thank you very much for your time and efforts. (b) (6)

2023-TSFO-01234	8/29/2023	(b) (6)		Hello, My name is (b) (6) and my Global Entry Pass was revoked. On a return trip my wife and I arrived from Mexico on vacation, and I followed up on why my Global Entry Pass was revoked with a Global Entry Officer at the Tom Bradley International Airport. We had a brief discussion about what caused pass to be revoked. I told him that I had been convicted of a misdemeanor in 2001, but the event occurred in 2000 and that no other arrest or conviction besides that one. CBP Agent mentioned that it looked like it was two events but in reality it was one event although the time it took to resolve it took a couple of months. He recommended for me to provide a detailed report/abstract from the court to show evidence that there was only one event and would have instructed in my initial interview to provide the report. In my Global Entry interview I did discuss the event with the officer and answered all the questions the officer had. At the end of the interview, the officer mentioned that I would likely get approved. I can provide the report I received from the LA County Court, and they also performed another thorough review and did not find any other issues/events. My record for this event has been expunged in 2013, and shows on the report. I would greatly appreciate if I can receive the records that caused the revocation so I clear this up. If there are any questions please feel free to contact me. Thanks In Advance (b) (6)

2023-TSFO-01228	8/28/2023	(b) (6)		To whom it may concern, I am in hopes that you will be able to help me with this situation. I have applied for renewal of Global Entry, which I have had for many years. I was denied renewal without any explanation. I have no warrants, arrests, problems with my high credit score. Nothing has changed since the first time I was approved. I have waited on hold for an hour with the Homeland Security Agency, only to be told to contact you. I have emailed the proper department at homeland security, only to receive an email of denial for a response. I had applied for renewal in a timely manner, on September 10, 2022. And I checked in on-line every 2 months for an update, until I received an email of denial today. I have waited 3 weeks shy of a year for a response. I would like to know the nature of my denial please. I believe this is why your department of the government has been put in place. Full Name (b) (6) I travel a lot for work and travel. 2023-TSFO-01048	7/17/2023	(b) (6)		Hi there, I was recently denied entry into Montana from Canada without any reason given whatsoever. I was with my family in which we planned to visit the Glacier National Park and were stopped and were questioned for over 5 hours until they told us that we would not be allowed to enter. I have been a Canadian citizen for over 25 years and with no criminal record and this is very disappointing and I extremely frustrating. On top of this they seized our electronic devices including my wife's laptop that she relied heavily for her schooling. They also did not give us any reason for confiscating our devices and just told us to complete a request through FOIA. I also talked to the chief at sweetgrass who also refused to mention the reason why we were denied entry and said that I would have to go through FOIA to get that information. This is all very troublesome and unjust and I'm hoping this can be made right and justice is served regarding this matter. Back in February of this year me and my wife had booked flights to Los Angeles in which we we planned to surprise our 6 year old daughter with a trip to Disneyland for her birthday. I was denied the right to board from Calgary to the flight to Los Angeles without given any reason as to why I was denied boarding. I made a request through redress TRIP in which I was given a final determination letter that stated that I would need to reference a control number whenever I travelled to the US. With that information that was provided, that is what I did at the board of entry in Montana thinking that I would be perfectly allowed to enter Montana and to my surprise I was denied entry again which makes everything confusing to myself and family. I am hoping that this request can help resolve this matter and give me the information I have been requesting for quite some time now as to why I was denied entry to the U.S. I am hoping that justice is served swiftly and as soon as possible because this is a definite case of wrongful denial and freedom to travel and could even be a case of discrimination as I cannot fathom why I would not be allowed to enter the US but can travel freely to any other country in the world. Thank you for your time and I eagerly wait for your response. Regards, (b) (6)

2023-TSFO-01050	7/16/2023	(b) (6)		I was denied Global Entry (b) (6) and no one can tell me why.
2023-TSFO-01054	7/16/2023	(b) (6)		I want all records, files, data, transcripts, and information that pertains to the DHS Organized Gangstalking and Community Policing program, including the training manuals/program, and of the existence of the collaboration of local DHS offices that work with the state, local police, citizen corps, fusion centers, NGO's, private companies, religious institutions, InfraGard, neighborhood watch secretly employed as vigilantes and used in groups to terrorize, stalk, torture, slander, harass and hunt suspected individuals using a method known as Gangstalking. Government gangstalking is a form of organized harassment that is conducted by government officials and law enforcement agencies against civilians. It is also known as organized stalking or cause stalking. Government gangstalking involves the use of multiple individuals to stalk, harass, and intimidate a target. It is often done in an effort to disrupt the target's life, ruin their reputation, and cause them emotional distress. Government gangstalking is typically carried out by teams of individuals, often referred to as "gangs". Each gang may consist of several individuals who act in concert to stalk and harass the target. The members of the gang may come from different backgrounds and may include law enforcement agents, military personnel, and civilian volunteers. Government gangstalking is often done as a means of intimidation and control. It is typically used as a way to silence political dissidents, whistleblowers, and activists who are seen as a threat to the government's power. It is also used to harass victims of government abuse and those who are seen as potentially resistant to the state. Government gangstalking can be extremely intrusive and can have serious long-term effects on victims. It can cause severe psychological and emotional distress, as well as physical health problems. It can also damage the victim's reputation, career prospects, and social standing. Government gangstalking is a serious violation of human rights and should not be tolerated. It is important for individuals to know their rights and take steps to protect themselves if they suspect that they are being subjected to gangstalking. This letter also serves as recorded documentation, and notification of suspected inhumane, sadistic, and illegal activity by the DHS, Local, State and Federal Police and Government Officials, Law Agencies, Departments, Institutions, Partners, Affiliates, Task Forces, Fusion Centers, InfraGard and private companies, Military, Citizen Corps and Business Watch Groups, and Associates, and I implore that these hostile, targeted and merciless, cruel and inhumane torture and terrorism tactics CEASE immediately.

2023-TSFO-01021	7/7/2023	(b) (6)		I am requesting a section of footage that was taken at Philadelphia Airport on June 28th at approximately 4:15am. The daughter that got bit (blonde) was wearing a navy blue crop top with pajama pants and carried a light blue/black/and pink Fajali Raven backpack, and I (brown hair in a bun) was wearing a white tanktop with black pants and carried a purple yeti backpack. My other daughter (red/brown hair) was wearing a black hoodie and carried a black sports backpack. We were in the line all the way to the right. The dog was being lead back-and-forth through the line, and the girl directly in front of my daughter seemed to freak out and started running, which excited the dog. My daughter then passed the dog as it was agitated, and it reached over and bit her. It did not jump up, but her on the outside of her left thigh as she passed. My other daughter and I passed next without incident, and we met at the end of the box. The TSA officer who was leading the dog, never stopped to see if she was OK or even acknowledge what happened. I was quite taken aback at what it happened and I wasn't sure what to do so I didn't know that I could talk to somebody. I filed a complaint on the website after I got out of the security checkpoint. When I returned to Albuquerque, I asked that TSA supervisor what to do and he also gave a card with the TSA contact information.

2023-TSFO-00981	6/22/2023	(b) (6)		I recently visited my mailbox at my apartment complex and I found a final notice letter from the U.S Department of Homeland Security/TSA. The letter states Case No. (b) (6) and details an incident that took place at the New Orleans International Airport in 2020 with myself. Basically because the weather was horrible and flights were being cancelled back to back, I had to make it to MSY for the first flight at 5am. I stayed at a friend's house the night of that lives in one of the worst neighborhoods in Baton Rouge so I left at 3am to catch my flight, but with the horrible weather I still had to rush to the terminals half sleep. Upon entering TSA screening and again half sleep, I forgot my gun was in my overnight bag still. At the time I didn't even know what was in my bag and why the TSA agent was treating me so nasty and wouldn't tell me why she demanding I come with her. Another agent whispered to me "you had a gun in your bag" and then at moment I didn't know what was going to happen with me. The same TSA agent was being so nasty and rude to me as if I was being equally rude, and she wouldn't tell me anything related to the process of what was about to happen to me or my weapon. It wasn't until I was detained that I was told they were going to do fingerprints on me and a background check on myself and gun. However, this is my first time EVER receiving a notice or anything pertaining to the incident that took place over 3 years ago. When the incident happened, I was never told by any personnel or officer at MSY that I would be contacted or fined by homeland security for my honest mistake. I am completely blindsided being that this incident happened 3 years ago and because I made sure to give airport officers my contact information just in case something did come about from it. Since 2020, my address information has always been updated every time I move and I make sure to have all my mail forwarded to wherever I stay. Since January 10, 2020, I have never received a notice or letter from anyone detailing the incident, and had I know if any notices, I would've responded without hesitation. I am new to Dallas and hardly ever have reasons to go to my mailbox unless I'm expected something. I last checked my mail around April 9th for my license and since, I have never checked my mailbox since because majority of my mail comes paperless. I even get notifications via USPS and I have never received anything detailing a letter from Homeland Security. I checked my mail yesterday because I'm anticipating something and I found 1 letter, this final notice, I am a law abiding citizen and though this letter states "final notice", I am pleading for a request to have a hearing for the manner against me please. This violation states that I am due to owe \$4,100 and with the amount of debt I'm in currently, this will only hurt me more. I'm asking if this hearing can help reduce the amount owed as I know I am fault for what happened though it was a mistake. Again, had I know ANYTHING pertaining to this matter, I would have LONG AGO checked the mail for it, made a response sooner, and I would have not been a delinquent to debt.

2023-TSFO-00952	6/16/2023	(b) (6)		My plane Allegiant 3068 unboarded at gate A12 in Chicago Midway Airport at 18:01. When I unboarded and started my way through concourse A, only minutes later, I slipped in a liquid substance on the floor. Being this was my first time in Chicago and their airport, I'm not quite familiar with the layout, but believe I was near either A4 or A8. When I slipped, a group of people rushed over to ensure I was ok. I'm also needing to be able to see the cleaning staff I spoke with as well. I'd like the video of my entire time within concourse A, and if possible, the entire 50 mins I was inside the airport, including Concourse C as I am also needing the video to help identify who the uniformed officer was that I spoke with after slipping to report the incident. I am attaching images of the clothing I was wearing as I traveled that day if that helps along with pics of the bags I was traveling with. I'm also in need of the video on the day I flew back out within the time stamp of 17:00 - 18:30 from when I spoke with officers inside of the police precinct in Concourse C. The black and white outfit was what I wore on 5/26. The pic with the two toned top is what I wore on 5/29 along with cream colored pants but my hair was in its natural state.

2023-TSFO-00949	6/15/2023	(b) (6)		on May 21, 2023 between 6-6:35 pm my mother went through TSA Precheck in CHS. Her purse was removed for search. This was not done in front of her. When she arrived home in ALB she noticed that her gold and diamond watch was missing. The watch was in a zippered container secured within a zippered part of her purse. She was uneasy about the search and would like the footage to be sent to her from this search. She met with a TSA rep and they said to contact this site for release of the films

2023-TSFO-00942	6/14/2023	(b) (6)		I am going on a few trips with my fiancé. I have been told before that I was put on a list of some sort to be watched for gang affiliation. I am not now, nor have I ever been active in a gang. I was labeled due to a tattoo. however, I have so many tattoos that I have lost count. This should not be a determining factor for my life. I need to know if I am in a situation where my background or misjudged history will keep me from flying. I saw that I am not eligible for the TSA PreCheck to board planes, that made me wonder if I am able to fly at all. We have already gotten tickets for the flight back in February. Now that it is getting closer we was worried that I may not be eligible for travel by plane. I have truly changed my life around and want to make a better life for my family. I have not been in in any trouble and do not associate with anyone from my past. I just need to know if my past is going to interrupt my future.

While currently TSA states Clear members also need to comply with Real ID Act, it's unclear how Clear is required to carry out the mandate; 3) Whether TSA requires Clear members to be US Lawful Permanent Residents (LPRs). Clear states it requires its members to be either US citizens or US LPRs. However this is not enforced by clear. 2023-TSFO-00858	5/30/2023	(b) (6)		Hello, My name is (b) (6), I am a US citizen born in El Paso, TX, I currently live in Kyle, TX (b) (6) and frequently visit my hometown of El Paso and it's border city Ciudad Juárez, Chih as I visit family and friends. I'd like to know why my Global Entry Pass has been revoked, I have no priors in my record, I use this pass when traveling within the United States through our airports and when crossing the border (El Paso, TX/Ciudad Juárez, Chih, MX) as I have family in this border region. Meaning, I use this pass fairly often throughout the year and have not broken any of the rules/regulations set by this, never had an issue with a CBP officer when crossing the border or a TSA agent when going through security at an airport. Please reconsider my request and have my Global Entry activated once again. I can be reached by mail at the address provided above or by email: (b) (6) Best Regards: (b) (6)
2023-TSFO-00860	5/30/2023	(b) (6)		During my Global Entry interview I was notified of an alias that has committed some crimes in my name. I choose the TSA section of this website but was unsure if that is where I would be allowed to see the information. Let me know and I can give my password

2023-TSFO-00839	5/24/2023	(b) (6)		Me and my family stayed in the US based on an E2 visa for the past ~7 years. On January 26th 2023 we left the US and relocated to Singapore. Our flight was SQ023 from JFK at 22:40. We passed check-in, and ultimately boarder control. Everything was done as expected - no issues, no complaints. Do to a request by a Swiss bank for an official document that states that I left the US, they were seeking information from the I-94 travel history. While the travel history for my family is complete and accurate, for some reason, mine disappeared entirely. I.e., if I login to the I-94 portal, there is simply nothing there. Please note that both, I and my daughter got new passports valid from 11/3/22 onwards. We travelled to Switzerland over Christmas, thus, clearly, there were no issues. Also clearly, there are no issues with my daughters passport. I do understand that errors and missing information can occur - I'm not blaming anyone here. But I would really appreciate if I could get my travel history either fixed in the I-94 portal such that I can access it (my preference), or a statement that actually indeed proves that I left the US on 1/26/22. Quite honestly, I really also only want to make sure, that if in the future I visit the US, I have no issues entering or leaving. I would greatly appreciate your help! Thank you, (b) (6)

2023-TSFO-00811	5/17/2023	(b) (6)		of all current and pending information on file regarding me that includes but is not limited to complaints, pending criminal charges "Thank you for contacting the CBP Traveler Communications Center. Please note that this office is not able to provide details about Trusted Traveler Program (TTP) denials or revocations or resolve the issue that caused these. These programs have strict criteria for participation. An individual is ineligible to participate in the Trusted Traveler Programs if CBP, at its sole discretion, determines that the individual presents a potential risk for terrorism, criminality, violating customs, agriculture and/or immigration laws, or is otherwise not a low-risk traveler. This risk determination will be based in part on an applicant's ability to demonstrate past compliance with laws, regulations, and policies. Reasons why an applicant may not qualify for participation include, but is not limited to: • The applicant provides false or incomplete information on the application; • The applicant has been arrested for, or convicted of, any criminal offense or has denied firearms transactions, pending criminal charges, protection orders, or outstanding warrants in any country; • The applicant has been found in violation of any customs, immigration, or agriculture regulations, procedures, or laws in any country; • The applicant is the subject of an investigation by any federal, state, or local law enforcement agency in any country; • The applicant is inadmissible to the United States under applicable immigration laws or has, at any time, been granted a waiver of inadmissibility or parole; • The applicant is known or suspected of being or having been engaged in conduct constituting, in preparation for, in aid of, or related to terrorism; or • The applicant cannot satisfy CBP of his or her low-risk status or meet other program requirements. In the event your application is denied or membership revoked for Global Entry, NEXUS, SENTRI, or FAST, you may be provided information in writing about the reason for this action. If you would like to determine whether more information can be provided, we recommend that you submit a Freedom of Information Act (FOIA) request (FOIA.gov). If you feel the decision was based on inaccurate information, you may file a Reconsideration Request by logging into your Trusted Traveler Programs account. If you are eligible to file a Reconsideration Request, you will find the Request Reconsideration button in the Program Memberships section of your Dashboard. The CBP Ombudsman's decision notification letter and current status will be posted to the applicant's TTP dashboard upon completion of the review. The applicant should carefully review the denial or revocation reasons and if applicable, submit detailed information they believe CBP should consider. The reconsideration request must include enough information to allow CBP to conduct a review. Incomplete requests or requests with minimal documentation or details regarding an incident may not support reconsideration of the application. While CBP cannot always disclose the exact reason for a denial or revocation of a TTP status, individuals may still request reconsideration even if they do not know the reason for their denial / revocation. TTP Ombudsman will consider all available information when evaluating the individual's eligibility for TTP. Reconsideration Requests and attachments to the Ombudsman should be in English and must include the following details: • Date of denial and denial reason(s) from the letter they received; • Summary of information to further clarify a criminal record or explain an incident or arrest, or any information that the applicant believes would be useful during the reconsideration; • Court disposition documentation in PDF format for all arrests or convictions, even if expunged; and/or • Other supporting documentation you feel may influence the Ombudsman's decision. 2023-TSFO-00799	5/14/2023	(b) (6)			loan-bank Lånekassa and my home-university (HIO IU) messed with me, so that my study-loan was a term late. And this (and other things, including problems with University of Sunderland, who had a problem with false fire-alarms all the time etc, at the shared flat I got after they refused me to get my own flat, like a leaflet they sent me said would be an option) made my studies chaotic. So I decided to just quit my studies (before And I tried to find somewhere to live (and then I was going to find a job). I tried to move to London, but I got freak-out by some Chelsea-football-hooligans, so I moved on to Amsterdam (because British Airways only had tickets to Amsterdam and Paris that day) and then to Germany. And while I lived for a few days in a hotel in Frankfurt (in February 2005) then I thought that I needed a holiday (because I had worked a lot, in the holidays etc., before 2005, back in Norway). (I thought I needed to relax. And that a holiday (in the sun) would help me relax more. So that it would be easier with the flat/job-hunt etc. The reason I moved from Norway, was that I had overheard (at my workplace) that I was followed by some mafia, or something like that. And I reckoned that the Norwegian police (who had harassed me when I went home from a night-club once, with my younger half-brother (b) (6) who went on a school for retards and youth-criminals (Bogstadvelen spesialskole) for 9-10 years). I reckoned that the Norwegian police wasn't that good with mafia-stuff (since Norway is a small country, in the outskirts of Europe) so I thought it would be better to live in the UK, and then find out which department in the Norwegian police that I should contact about this). But the flight (from Frankfurt to Mallorca) was canceled. And I got a ticket (almost all the other passengers got new tickets before me, so I had to wait for many hours, before I got a new ticket (for a new flight) so this wore me out a bit). And when I went to the gate of the new flight, someone (possibly a nazi) freaked me out, by standing up (and just continued to stand up). So I thought, I need a break from Europe. And Frankfurt airport is a huge airport, so they had a store that sold tickets to the USA there. And the expensive was one for Detroit with Lufthansa (this ticket only cost 500 euro, or something, and I needed a break from Europe, I thought). I had a new passport, and I had read in Norwegian papers that with this type of passport, one didn't need a visa for going to America. But on the plane a Lufthansa-staff refused to give a form that all other non-US-citizens got. So when I got off the plane in Detroit. Then an American airport-security-guy screamed at me in German: 'Sprechen sie deutsch'. (Even if I got the best score on the TROFFEL-test (or what it's called) at University of Sunderland), And I was forced to fill out a form in French. (When I wanted a form in either English or Norwegian. Not in German or French). And then an African (colored) woman sent me to some police-men there (that were armed) when I tried to give her the form. And they sent me back to Europe (they forced me buy a return-ticket with Air France) for no good reason (I'd say). One of them (a guy who looked a bit like Burt Reynolds in the movie Smokey and the Bandit, with forearms almost like Popeye) wrote some stuff in my passport, after going through my suit-case (and interviewing me) and after xeroxing some of my 'rat race-files' (that I brought to Sunderland, because I had to get a place there through an organisation called ECL, or something, and I had to change some modules, to get a study-loan (from Lånekassa) so I needed my 'document/diploma/letters of recommendation/transcript-folder', from Norway). So I try to register a FOIA-request. And I want a copy of the letter that the airport-cops wrote (to do with why I wasn't allowed entrance to the USA). And I also want copies of my 'rat race-files' (that the airport-policeman copied) because I ended up on my uncle's (b) (6) (b) (6) farm in the Easter of 2005, and someone tried to kill me there in July 2005, so I fled to the UK again, and I had to leave my 'document-folder' at my uncle's farm, and I've tried to ask my aunt (b) (6) (who died during the pandemic) about those files (I called her from the UK, when she lived on (b) (6) (b) (6) farm, around 2008) but she wasn't able to find my files/folder/suitcase. I attach a scan of my old passport (where one can see the writings of the Detroit/airport-police, from February 2005). I think one of the lines that was written in my old passport was possibly a type of reference-number. So

2023-TSFO-00761	5/5/2023	(b) (6)		Hello, around July 2020 my GLOBAL ENTRY was denied. I have made several attempts including request trying to receive an answer or explanation why. I'm a DV (disabled vet) no warrants, criminal history etc and was able to use my GLOBAL ENTRY for about 4 1/2 years prior. If the revoke was a mistake I can understand but at this moment all I'm asking for is a reason why or a way to move forward again having access to GLOBAL ENTRY. I'm asking for help with this issue and it is of great concern because I travel quite a bit for work helping other vets etc. I would have submitted an entire new application but don't want to take the chance or still not knowing and/or losing my money. Please advise with moving forward. THANK YOU!! My name is (b) (6) , my phone number is (b) (6) and my Global Entry was revoked after 1 year of using it. There was no interview I went on a cruise in 2015 and I got held by customs, then transferred to the sheriffs office, and ultimately county jail. I made bond, showed for court only to find out the case was dropped. I need to find out what it is that is keeping me from a global entry and the Denial/Revocation Sustained Notification from the application (11/2022) will not open or display anything. Please help as soon as you possibly can. Thank you in Advance!

Global Entry is a voluntary program available to travelers that pass a comprehensive background investigation. Applicants found to be ineligible for Global Entry participation may still be permitted to enter into the United States although they will not be permitted to use the Global Entry dedicated lanes. We regret to inform you that your membership in Global Entry has been disapproved for the following reason(s): Other You do not meet program eligibility requirements. I would like to know why I don't "meet program eligibility requirements" and what I need to do to change that. I have TSA pre-check already... I legally changed my name and gender on my driver's license and social security card, passport etc. And updated the TSA KTN... Perhaps that is the problem? Bc my birth certificate still says born female. Because the state of KY doesn't believe in nor honor transgender rights. Hoping that's not the case with the federal government as well. Please advise asap. Thanks so much. (b) (6)

Between the harsh gestures, tone of voice, attitude, and mocking faces this lady made at me, I was extremely upset and asked what her name was. She proceeded to tell me that she had no obligation to tell me her name so I asked what her supervisors name was and she said she also had no obligation to share that information with me either. She said all this while trying to hide her laughter. I was told by another worker (not a TSA agent) that it was not right of her to treat the situation that way and refuse to share her information.

2023-TSFO-00620	4/8/2023	(b) (6)		Hello I am seeking the name of a TSA agent at Chicago O Hare airport that discriminated against my wife and I during our time through security. The incident happened around 5:00 to 5:30 pm on the evening of March 30, 2023 at Chicago O'Hare in terminal 1 as we were trying to catch a United Airlines flight. He is my guess in his 50s and is of Asian nationality. He was working the passport and ticket check first station before the actual security section. It was the first booth on the left. He was rude and we believe he was discriminating us because we are a mixed race couple (I am Caucasian and my wife is Asian). We want his full name so we can discuss his actions with TSA management at the airport.

2023-TSFO-00613	4/7/2023	(b) (6)		Hi there - I was sitting in the seating area of the New Orleans Airport (MSY) near gates C2/C4 on Sunday, April 2nd at approx. 1:30pm CST. I was wearing a red sweatshirt with blue pants, and have a black suitcase (I am female, aged 31, and have light brown hair). I took off my engagement ring to put on lotion and believe it fell out of my lap. Approx. 40minutes later I came back to search for the ring but did not find it. I filed a lost and found ticket with the airport and a police report, and am hoping to see if I can identify anyone picking up the ring after I left the seating area to hopefully recover it. I would like security video footage of myself leaving the gate seating area (for about ~20min) to see if I can find anyone picking up the ring.

2023-TSFO-00605	4/5/2023	(b) (6)		Notified at check-in (04/02/23) that I was on the 'No Fly List' with Delta/TSA. Delta agent inquired if something happened on March 13th in Atlanta, GA. when I was checking in, but nothing happened. I am dumbfounded, and upset to say the least. Ruined traveled plans for my birthday weekend - poor communication by Delta. Please let me know what happened. Is it possible they have me mixed up with someone?

2023-TSFO-00610	4/5/2023	(b) (6)		I have studied medicine overseas in Bangladesh from 2012 to 2018 until moving back to the United States after completing my education. Every time I have reentered the country including after moving back I have been detained for secondary screening at the port of entry. To resolve this issue I have attempted to apply for Global Entry however my application has been denied. I am not sure how to address this continued issue now or what the cause of it may be, so I am requesting any help in this regard. I have just been accepted in a Medical Residency program and have never had a criminal record and have been approved for TSA Precheck so I have no idea why I keep getting selected for secondary or denied global entry, but it is causing issues with my ability to travel. I would like to have the records of my secondary screening detentions and the causes of why I am continuously selected so that I may address and resolve them.
