Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTDD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

Over the last fiscal year, TSA utilized a variety of recruitment sources designed to increase the number of qualified applicants with disabilities and applicants with targeted disabilities within TSA occupations. The following offices and organizations were utilized to conduct targeted recruitment for potential PWD/PWTDs and Disabled Veterans applicants for TSA vacancies. • State Vocational Rehabilitation Offices; • Disability Support Organizations; • Veterans Administration Vocational Rehabilitation & Employment Offices; • DoD Transition Assistance Program (TAP); • Workforce Recruitment Program Database

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

TSA utilizes their own appropriate hiring authorities to recruit and hire PWDs and PWTDs. These hiring authorities are: • HCM POLICY NO. 300-28, Hiring Individuals with Disabilities (Schedule A Equivalent): This policy applies to the recruitment and appointment of individuals with intellectual disabilities, severe physical disabilities, or psychiatric disabilities, directly to TSA positions that have been approved for the use of the non-competitive procedures. This policy does not apply to appointments made under the Transportation Security Executive Service (TSES). This appointing authority may not be used to fill positions with mandatory applicant assessment(s) and/or physical and medical requirements (e.g., Transportation Security Officer (TSO) and Federal Air Marshal (FAM) positions). • HCM POLICY NO. 337-2, Veterans' Appointing Authority: This establishes the policy and procedures for a non-competitive hiring authority for veteran appointments within TSA. TSA "Jobs at TSA" website has webpages specifically for applicants with disabilities and Veterans. The sites contain information for eligible applicants and provides the contact information of the agency point of contact. TSA's Disability Program Manager on a bi-weekly basis sent out broadcast emails with a list of current TSA vacancies and information on how to apply through our non-competitive hiring authorities. These broadcasts were sent to individuals with disabilities who have expressed interest in TSA through our recruitment and outreach efforts. TSA participated in 26 recruitment/outreach events in FY 2019 exclusively for qualified applicants who are eligible for appointment under the TSA Hiring Authority for Individuals with Disabilities and Veterans Appointing Authority and hired six IWD's using TSA's special hiring authority.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

The TSA Selective Placement Program Manager reviews the documentation submitted (schedule A letter) by the individual to confirm they qualify for the TSA Hiring Authority for Individuals with Disabilities. All qualified individuals are then forwarded to the hiring official for consideration for the position.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer No

In FY2019, TSA was not able to train all hiring managers on using the hiring authorities that take disability into account. TSA's Selective Placement Program Manager and Disability Program Manager did conduct information sessions on recruiting and hiring Persons with Disabilities/Persons with Targeted Disabilities to hiring managers which included information on our non-competitive hiring authorities for veterans and individuals with disabilities. In FY 2020, information sessions on hiring IWDs will continue to be provided to hiring officials in the TSA Resource Management Offices and POCs who assist hiring managers with staffing efforts. TSA will also be developing training on recruiting and hiring Persons with Disabilities/Persons with Targeted Disabilities that can be utilized by Human Capital to train HC personnel and TSA hiring managers on how to recruit and hire Persons with Disabilities/Persons with Targeted Disabilities. TSA will also examine ways to utilize new manager training to introduce information on non-competitive hiring authorities for Veterans and Individuals with Disabilities.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

In FY 2019, TSA continued to work with State Vocational Rehabilitation Offices and Disability Support Organizations by providing them with information on TSA’s Mission Critical Occupations and the hiring process for Persons with Disabilities/ Persons with Targeted Disabilities. Virginia, District of Columbia and Maryland vocational rehabilitation offices provided candidates with an opportunity to participate in TSA’s 4th Annual Disability Mentoring Day. TSA also participated in career fairs with Gallaudet University and Bender Consulting Services. TSA’s DPM also sent out bi-weekly broadcast emails with a list of current TSA vacancies and information on how to apply through our non-competitive hiring authorities. These broadcasts were sent to vocation rehabilitation, university and disability organization contacts. In FY 2020, TSA’s new Disability Program Manager (DPM), once the vacancy is filled, and the Selective Placement Program Manager (SPPM) will continue to conduct information sessions with the VA, DC, and MD vocational rehabilitation offices and also establish relationships with colleges/universities that have high populations of Persons with Disabilities/Persons with Targeted Disabilities.

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.

- a. New Hires for Permanent Workforce (PWD) Answer Yes
- b. New Hires for Permanent Workforce (PWTD) Answer No

Among the new hires in the permanent workforce, triggers exist for Persons with Disabilities (4.39%), which is below the respective benchmark of 12%.

New Hires	Total (#)	Reportable Disability		Targeted Disability	
		Permanent Workforce (%)	Temporary Workforce (%)	Permanent Workforce (%)	Temporary Workforce (%)
% of Total Applicants	0				
% of Qualified Applicants	0				
% of New Hires	0				

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Qualified Applicants for MCO (PWD) Answer N/A
- b. Qualified Applicants for MCO (PWTD) Answer N/A

Relevant applicant pool data is not available. Identifying which current DHS employees would qualify for a job series they are not currently in is a difficult undertaking. Human Capital does not adjudicate applicant qualifications until an applicant applies for a specific position, and the applicant may qualify based on experience obtained prior to entry into their current job series, or into DHS. DHS has not attempted to develop an estimate for job series-relevant applicant pools to date. Based on this, we are not attempting to tabulate relevant applicant pools for future reporting cycles.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Promotions for MCO (PWD) Answer Yes
- b. Promotions for MCO (PWTD) Answer Yes

Among employees promoted to any MCO, triggers exist for Persons with Disabilities. 2210 - Information Technology Management: Qualified PWD= 1.64 percent; Selections 0 percent; Qualified PWTD= 0 percent; Selections 0 percent. Note: Three out of 4 of TSA’s MCOs have physical and medical standards that significantly limit the total number of candidates with Persons with Disabilities and Persons with Targeted Disabilities.

Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

Answer No

Unfortunately, TSA did not have eligible Schedule A employees to convert during this period. However, TSA did make 6 IWD (Schedule A) appointments in FY19.

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If “yes”, describe the trigger below.

a. Voluntary Separations (PWD) Answer No

b. Involuntary Separations (PWD) Answer No

Seperations	Total #	Reportable Disabilities %	Without Reportable Disabilities %
-------------	---------	---------------------------	-----------------------------------

3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If “yes”, describe the trigger below.

a. Voluntary Separations (PWTD) Answer No

b. Involuntary Separations (PWTD) Answer No

Seperations	Total #	Targeted Disabilities %	Without Targeted Disabilities %
-------------	---------	-------------------------	---------------------------------

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

N/A

B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

<https://www.tsa.gov/accessibility>

2. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under the Architectural Barriers Act, including a description of how to file a complaint.

<https://www.tsa.gov/accessibility>

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

TSA will be relocating to new headquarters in 2020/2021. Planning for this began in 2017. TSA's former Disability Program Manager was a member of the TSA Headquarters Consolidation Team that met bi-weekly to discuss the progress of the project. The former DPM did review plans and provide input on accessibility issues with the floor plans, furniture and general access areas. This will continue when the Disability Program Manager vacancy is filled.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

TSA processed reasonable accommodation requests in an average of 45 days in FY 2019..

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency's reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

TSA has policies and procedures in place specific to processing requests for reasonable accommodation. Staff work to adhere to processing requests within the specified time frame of 60 days. Training has been conducted by the RAPM for supervisors and managers and training is available online. Information specific to RA requests are recorded in a database where information can be extracted regarding number and types of requests, number of days for processing, etc.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

TSA has not received a request for PAS services. TSA has incorporated PAS information in its reasonable accommodation policy guidance.

4. Please explain the factor(s) that prevented the agency from timely completing any of the planned activities.

The TSA Disability Program Manager position has been vacant since Fall 2019.

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

The number of disability outreach events and training increased and TSA made 6 new IWD hires using the special hiring authority.

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.

With the slight improvements, TSA will continue to perform activities that have yielded positive results and will also add additional activities as the year progresses.
