2021-TSFO-00442	5/6/2021	(b)(6)	1. I need footage of my brother and I giving the Delta Employee our identification at the ticketing booth and receiving two separate boarding passes. I check my camouflage snowboard bag, and the Delta Employee printing us two separate boarding passes. If the cameras can show my name on the passport I gave her, this would be the best outcome as it would prove I used my identification. 2. I need footage of me mistakenly leaving my passport and cellphone at the ticketing booth with the Delta Employee when I went outside to return my rental car, and the Delta Employee walking the cellphone and passport outside to me at the rental car return. 3. I need video footage of me giving the TSA employee my passport while going through security. If the footage shows my name on my passport, this would be the best possible outcome, as it would provide evidence that I used my identification throughout security. 4. I need video footage of my brother and me giving the Delta Employee at the Gate to board the plane my passport and boarding pass, where my brother had his own boarding pass. This would help prove that my brother and I bother had separate boarding passes, and Delta mistakenly printed out two identical boarding pass for two different people with different IDs standing next to each other.	5/6/2021

I was driving a pearl white 2020 Honda CV-R. The accident took place at the point where you went deep left, where the above-named person, needed to go, and where those entering the terminal area had to make a quick decision whether to continue with a sharp left, or keep right to go to the Short-Term Parking, and even further right to get to the departure terminal. I have attached a copy of the incident report to this letter I am generating to you. I am writing to request a copy of the footage from your surveillance camera in that area that may have recorded the incident.	6/18/2021
