A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

Over the last fiscal year, TSA utilized a variety of recruitment sources designed to increase the number of qualified applicants with disabilities and applicants with targeted disabilities within TSA occupations. The following offices and organizations were utilized to conduct targeted recruitment for potential PWD/PWTDs and Disabled Veterans applicants for TSA vacancies. • State Vocational Rehabilitation Offices; • Disability Support Organizations; • Veterans Administration Vocational Rehabilitation & Employment Offices; • DoD Transition Assistance Program (TAP); • Workforce Recruitment Program Database TSA's Disability Program Manger volunteered as a recruiter for the Workforce Recruitment Program (WRP) in November 2017 and utilized the WRP for recruitment and referral for TSA vacancies. TSA's Civil Rights & Liberties, Ombudsman and Traveler Engagement office hosted the fourth annual Disability Mentoring Day in October 2017. The program gave individuals with disabilities who are students or seeking employment hands-on career exploration and mentoring relationships. Twelve TSA employees volunteered to mentor twelve individuals with disabilities.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

appointment of individuals with intellectual disabilities (Schardchira Ptylipsandt Ptylips

The TSA Selective Placement Program Manager reviews the documentation submitted (schedule A letter) by the individual to confirm they qualify for the TSA Hiring Authority for Individuals with Disabilities. All qualified individuals are then forwarded to the hiring official for consideration for the position.

TSA's Selective Placement Program Manager and Disability Program Manager did conduct information sessions on recruiting and hiring Persons with Disabilities/Persons with Targeted Disabilities to hiring managers which included information on our non-competitive hiring authorities for veterans and individuals with disabilities. In FY 2019, information sessions on hiring IWDs will continue to be provided to hiring officials, TSA Business Management Offices who assist hiring managers with staffing efforts. TSA will also be developing training on recruiting and hiring Persons with Disabilities/Persons with Targeted Disabilities that can be utilized by Human Capital to train HC personnel and TSA hiring managers on how to recruit and hire Persons with Disabilities/Persons with Targeted Disabilities. TSA also participated in career fairs with Gallaudet University and Bender Consulting Services. In FY 2019, TSA's Disability Program Manager (DPM) will continue to conduct information sessions with the VA, DC, MD vocational rehabilitation offices and also establish relationships with colleges/universities that have high populations of Persons with Disabilities/Persons with Targeted Disabilities. TSA's DPM also sent out bi-weekly broadcast emails with a list of current TSA vacancies and information on how to apply through our non-competitive hiring authorities. These

broadcasts were sent to vocation rehabilitation, university and disability organization contacts.
